## Figure E-10 Statutory Checklist

## STATUTORY CHECKLIST [§58.35(a) activities]

## for Categorical Exclusions and Environmental Assessments

Note: Review of the items on this checklist is required for both Categorical Exclusions under Sec. 58.35(a) and projects requiring an Environmental Assessment under Sec. 58.36. If no compliance with any of the items is required, a Categorical Exclusion [58.35(a)] may become "exempt" under the provisions of Sec. 58.34 (a) (12). In such cases attach the completed Statutory Checklist to a written determination of the exemption. Projects requiring an Environmental Assessment under Sec. 58.36 cannot be determined to be exempt even if no compliance with Statutory Checklist items is found. Three items listed at Sec. 58.6 are applicable to all projects, including those determined to be exempt.

## Project Name and Identification No. Project 1699 – 730 Stratford Avenue, Stratford CT

Area of Statutory or Regulatory Compliance	Not Applicable to This Project	Consultation Required*	Review Required*	Permits Required*	Determination of consistency Approvals, Permits Obtained*	Conditions and/or Mitigation Actions Required	Provide compliance documentation. Additional material may be attached.				
Document Laws and authorities listed at 24 CFR Sec. 58.5											
Historic Properties     [58.5(a)] [Section 106 of NHPA]							See attachment 1 for determination statement from CT State Historic Preservation Office. Project activities will have an adverse impact. Project construction activities will not begin until the Programmatic Agreement between the Connecticut DECD/SHPO/DOH is completed and mitigation and documentation requirments are completed to the Connecticut Sate Historic Preservation Office's satisfaction.				
2. Floodplain Management [58.5(b)] [Ex Or 11988] [24 CFR 55]				$\boxtimes$			National Flood Insurance Program (NFIP), Flood Insurance Rate Map (FIRM) Number 09001C0442G, Revised July, 8, 2013 indicates the project site at 730 Stratford Avenue, Stratford, CT is located inside Zone AE with a base flood elevation of 13 feet defined for the 1% Annual Chance Flood. See attachment 2 for documentation.				
3. Wetland Protection [58.5 (b)]							United States Fish and Wildlife Services (USFWS), National Wetlands Inventory (NWI) mapping identifies the project site outside a wetland zone. See attachment 3 for map documentation. Mapping is Geographic Information System (G.I.S.) map created using data accessed from USFWS NWI website at http://www.fws.gov/wetlands/Data/State-Downloads.html				
4. Coastal Zone Management [58.5(c)]							Project site at 730 Stratford Avenue, Stratford, CT is located inside a Coastal Boundary Zone. See attachment 4 for map documentation. Mapping is Geographic Information System (G.I.S.) map created using data accessed from CT Environmental Conditions Online (CT ECO) of the Coastal Boundary Zone from http://www.cteco.uconn.edu/
